Title: *Hansen's Map Guides: Finding Records with Parish Maps*

Presented by: Careen Valentine, FamilySearch

Description: In this presentation, you will learn to use Kevan Hansen's "Map Guide to German Parish Registers" series to find the Lutheran or Catholic parish for a given town, determine whether or not the Family History Library has records for a given parish, and determine which parishes should be included in an area search. The Siuslaw Public Library owns all of the German parish map guides.
